EVA28 IN THE WORDS OF THE POET IN RESIDENCE

PAUL LYALLS

EVERYTHING IS WITHIN YOUR CONTROL

A 240 characters Twitter Poem For Simon Taylor: A call to action, Project control

There is nothing you cannot achieve. Nothing you cannot accomplish, no goal is beyond our reach, anything can be achieved. We all have the capability in our minds to overcome challenges. The only thing that can hold you back, is you. All is within your control. There are no lim

MULTIPLE CHOICE QUESTIONS?

For Eddie Obeng: All Change a second look.

Please answer the following multiple choice questions.

The 3rd letter of the alphabet is,

A – B B – D C – A Or D – C

It's obvious to me.

IN PRAISE OF THE 85%

For Joseph Lee: Stay in control by starting in control

If you don't want to score an own goal, Whatever your project control, Make sure it has soul

CHANGE

For Maddy Sears: Making the change stick – Don't be too weird

Let's change,

Let's exchange change.

Change up the unchangeable,

Be a changer

Be the change you want to see,

Interchangeability is the key.

Be a game-changer

Be challenging Be a changeling!

Let's rearrange

Change

PUTTING A LIMIT ON THE SKY

For Jemma Dunne, National Audit Office: Lessons Learned, Resetting

The cost of HS2 and Crossrail is astronomical

And out of this world.

And has eaten up all the country's profit

And that's why Jemma now works for the ...

National Orbit Office!

MOD POEM

For Iain Milne and Frank Mortimer: Becoming more digital

Ministry Of Defence your poem has arrived,

Unfortunately it's classified.

DESIGN TO COST

For Peder Berg and Paul Torgersen: Norwegian Design to Cost

Aha!

Can we fjord it? Hunting high and low, wanting the moon on a pike, Or at least the Northern light. The cost goes up, the prices are hiking And there's more axing than a Viking! It's enough to make everyone do The Scream! So design to cost is the take on me! Just as any Norwegian would, Loose the excess, keep the quality. The sun always shines on contingency!

FEVER LAS VEGAS

For Ian Heptinstall: Critical Chain

Every critical chain Is only as strong as its every critical link. You can cross the t's, dot the i's, But don't forget the ink?

COME FLY WITH ME

For Mark Robinson: Sustainable aviation, Airbus

Come fly with me, let's fly away, on EVA.

Make a fuss, insist on Airbus.

Just get on and say you know Mark Rob-in-son!
